

**RAMAIAH**  
Memorial Hospital

## Letter of Certification

Date: 01/06/2017

Ramaiah Memorial Hospital in association with Metropolis Laboratory - Pathology and Diagnostic Centre conducted blood-sampling tests with Crystal Blue - Structured Water Units to test the effect on Human Red Blood Corpuscles (RBCs). The results post twenty minutes of consumption of Structured Water showed that the cells were more electrically charged and buoyant as compared to regular RO water.

We hereby certify that Crystal Blue Structured Water creates a significant difference at the cellular level and RBCs do become more buoyant as claimed by the Manufacturers (M/s. Crystalblue India, a Division of Vijay Precision Dies Pvt Ltd) and Marketing Agency (M/s. Tingg Creation) of the product.

President  
Ramaiah Memorial Hospital

Authorized Signatory  
Metropolis Labs
